PRABHAT SINGH

FRONT-END DEVELOPER

PROFILE

As a passionate and motivated Front-End Developer fresher, I bring a strong foundation in web development, coupled with a deep enthusiasm for creating captivating and user-friendly interfaces. Proficient in HTML, CSS, and JavaScript, I am dedicated to crafting responsive, visually appealing, and interactive websites. My commitment to staying up-to-date with the latest industry trends and my eagerness to learn make me a valuable asset to any development team. With a keen eye for design and a strong focus on user experience,
I am ready to contribute my skills to building engaging digital experiences and growing as a front-end developer.
